WELCOME TO GOODWOOD RACECOURSE

The Directors and staff of Goodwood Racecourse warmly welcome you back for what promises to be a fantastic season of racing on the stunning Sussex Downs.

This booklet is dedicated to providing you with all the information you should need about our 2025 fixtures.

Featured in this publication, is the Qatar Goodwood Festival presented by Visit Qatar, taking place from 29 July – 2 August, which attracts the best racehorses in the world.

Once again there are a total of 14 scheduled race days outside of the Qatar Goodwood Festival for the 2025 season, this includes some changes to the pattern race programme during the August racing fixture.

We have included the race programme, useful information on racecourse facilities and stabling, maps and overviews of the various race meetings. If, however, you have any further queries, please do not hesitate to contact either myself, Sarah Vigneault or one of our team. Contact details can be found at the back of this booklet.

DRESS CODE

At Goodwood we embrace quintessentially British style – whether that's high fashion or something more classic, it's about a relaxed yet chic look. We are known for a distinctive style – linen suits, Panama hats and chic dresses are de-rigueur. Ever since King Edward VII relaxed the dress code in the 19th century, we have enjoyed a carefree holiday feel here, unlike any other racecourse.

Within the Richmond Enclosure

Gentlemen (and boys aged 16 and over) are required to wear a jacket, collared shirt and a tie to all 19 racedays. Women should wear smart attire, suitable for a day at the races. For the warmer fixtures think summer garden-party: a floaty, floral dress, or an elegant top and trouser/skirt combination. For the cooler racedays, dress for the

weather by layering up. A tweed jacket paired with boots is the perfect combination to keep you warm.

Children should also dress in smart attire. Boys aged 7-15 years are asked to wear a long sleeved collared shirt (no polo shirts). The dress code is not applicable to children under 7 years.

CHILDREN IN THE PARADE RING

Children under 12 years of age will not be allowed access to the parade ring. Children between the ages of 12-16 must be accompanied by an adult.

WINNING CONNECTIONS

Owners of winning horses will be presented with a trophy, a video in a card of the race, and a memory stick of images. They will also receive a celebratory glass of English Sparkling Wine in the pavilion, with our owners & trainers' representative.

SUMMER RACING

QATAR GOODWOOD FESTIVAL PRESENTED BY VISIT QATAR Tuesday 29 July – Saturday 2 August

Affectionately known as ‘Glorious Goodwood’, the Qatar Goodwood Festival will be run this year between 29 July – 2 August. The eyes of the racing world will be firmly set on the Sussex Downs for our annual showpiece of high-quality racing and glamour in this most idyllic of settings. We would like to thank our sponsors, both new and established, for their support in making this a week to remember for all concerned, with particular thanks going to our title partner, Visit Qatar. We are delighted that the first three days will again be part of the Hong Kong Jockey Club’s World Pool with UK betting via the Tote.

Last year, Kyprios crowned himself the king of the stayers once again when landing a second victory in the feature race on day one of the Qatar Goodwood Festival. The Aidan O’Brien trained six-year-old recorded his fourth consecutive victory of the year, backing up his Group 1 success in the Ascot Gold Cup.

Godolphin tasted Group 1 glory in the Qatar Sussex Stakes on the Wednesday. Notable Speech cruised to victory under

William Buick to become the first horse since the legendary Frankel to complete the QIPCO 2,000 Guineas and Sussex Stakes double in the same season.

Ryan Moore continued his masterclass on the South Downs when steering Opera Singer to victory in the Group 1 Qatar Nassau Stakes, the feature race for fillies and mares on day three of the Qatar Goodwood Festival. The Coolmore partnership had already tasted Group success earlier on the card when Jan Brueghel won the Group 3 John Pearce Racing Gordon Stakes.

Day four of the Qatar Goodwood Festival guarantees a fast and furious thriller in the five-furlong King George Qatar Stakes, a race made famous by the sprinting superstar Battaash. Last year, Big Evs held off the Australian challenger, Asfoora, and won at the Festival for the second year running for trainer Mick Appleby.

The cavalry charge of the Coral Stewards’ Cup concluded a fantastic five days of racing on the Sussex Downs. The big field sprint handicap over six furlongs was won in 2024 by the Sussex trained Get It.

OUR COMMITMENT TO THE HORSE

Goodwood take pride in the level of care and attention all our equine participants receive.

All horses are stabled away from the course on racedays, providing a tranquil setting to give each individual time before a race to settle into their surroundings, alongside the privacy after their engagement. On course, misting fans, purpose built wash-down facilities, and a team of highly-skilled veterinary experts, ensure each horse receives the best possible end-to-end experience.

Continued investment in the racing surface, machinery and irrigation systems mean optimal going conditions are managed and maintained. British Racing is one of the best-regulated animal activities with 6,000 personnel employed to look after 12,000 horses in training.

Event Sustainability

We are certified by BSI to the International Standard for Event Sustainability Management (ISO 20121). This means that Goodwood is committed to integrating sustainability into our operations to facilitate the preservation and enhancement of Goodwood for the enjoyment of future generations. We are committed to minimising our impact wherever possible and have created a strategic plan to address our way of working throughout the estate.

The key objectives for event sustainability at Goodwood are:

- To ensure that our events positively impact the preservation and enhancement of the estate.
- To minimise negative impact on the local community and create positive social value.
- To be resource efficient, minimise waste, carbon emissions and water consumption.
- To develop and implement appropriate monitoring and measurement techniques to ensure that we can assess our performance and identify improvements to communicate, engage and inspire stakeholders on sustainability.
- To engage with partners, suppliers, fans and members to become more sustainable through Goodwood demonstrating leadership.

THE COURSE

COURSE CHARACTERISTICS

Goodwood's pronounced gradients and sharp bends favour the active, handy type of horse, the fluent mover rather than the big, long-striding runner, and this applies especially in short races and when the going is fast.

The Raceweek Regency Ball

THURSDAY 31 JULY 2025

GOODWOOD HOUSE

Our Raceweek Regency Ball gives us the ideal opportunity to honour the commitment of the inspirational and brilliant women who will be taking part in the Charity Ladies' Race, the Markel Magnolia Cup – all of the riders will be joining us for the evening.

Featuring vintage entertainment and a famous match race between two horses at night through the park, which is entirely lit with flares, just as it was in the 18th century; it really is a truly magical and uplifting sight. The whole evening is quite a spectacle, where the great Regency House comes alive like an early 19th Century film set.
